Supplies

Assorted Craft Cuts of Kunin Classic, Premium, and Corduroy Felt in Various Colors
(Shown are Classic and Premium Red, Orange, Yellow, Pirate Green, Brilliant Blue, and Fuchsia)

- 1 – Pair of Scissors
- 1 – Bottle of Felt Glue
- 1 – Skein of Twine
- Clothespins

Directions

1. Cut your felt into approximately 1" by 9" strips or larger. It works with about any strip but we found that cutting the corners makes prettier beads. Put a generous amount of felt glue on one end of each piece of cut felt. (Figure A and Figure B)
2. Roll the felt up until it overlaps the glue then use clothespins to hold them in place while they dry. Give them about 30 minutes before opening them up. (Figure C and Figure D)
3. String the felt beads onto twine. It can be whatever length your girls like. Tie it closed being sure it is long enough to fit over the head.
