## Supplies

- 1 – 12"x18" Craft Cut of Kunin Premium in Red
- 1 – 9"x12" Craft Cut of Kunin Coordinates in White Dot on Red
- 1 – 9"x12" Craft Cut of Kunin Corduroy in Pirate Green
- 1 – Embroidery Needle
- 1 – Skein Embroidery Floss
- 1 – Small Bag Fairfield Poly-fil®
- 1 – Bottle of Craft Glue
- Pipe Cleaners in Brown and/or Green

## Directions

1. Use the provided pattern to cut out shapes from the Red and White Polka on Red felts. Each strawberry is quick and easy to make, so make a couple! (Figure A)
2. Fold the strawberry piece in half, right sides facing (for polka dot) felt. Whip stitch the edges together, leaving the top open. (Figure B)
3. Turn strawberry right side out and fill with Poly-fil. (Figure C)
4. Hold the filling down and sew a running stitch around the top edge of the strawberry. Pull tight and tie to close the opening. (Figure D and E)
5. Cut out the leaf pattern from green Corduroy felt. Snip a small opening in the center of the leaf piece. Stitch onto the top of the strawberry, covering the closure. (Figure F)
6. Cut a 1" piece of pipe cleaner and put a drop of glue on the end. Slide the pipe cleaners into the slit of the leaf and push through into the strawberry to create a stem. (Figure G)
